

Amendment to Trial Approval Document*Amendments highlighted in red*

This document outlines the trial conditions agreed by both parties to the trial to enable the trial to be recorded on the register of approval trials as per Advice note 24 available to view at <https://roadworks.scot/>

- Parties to trial – The undertaker will be Openreach the authority will be Perth and Kinross
- Geographical extent of trial – county boundary for Perth & Kinross
- Scope of trial – Maximum number of sites will be 50
- Time limit for trial – **end date extended to 1st January 2024 – the trial is an extension to previous trial which focused solely on 15/10 Viafix**
- Termination Criteria – If work is sub-standard authority may give one months' notice of intent to close trial and request that any material laid during the trial be replaced
- Signatories/witnesses – Daryl Johnston Project Manager Openreach and Jim Watson Perth & Kinross Local Authority
- Contemporary records - Each job on tracker to be supported by a word document that will show additional detail i.e. weather conditions, location, time of day, size of reinstatement etc to prove effectiveness of material in a variety of settings and conditions
- Attendance at trials – Openreach personnel, officers from Perth and Kinross
- Review periods/meetings – regular meetings between Perth and Kinross, Openreach street works and PM
- Post-construction assessment – coring samples to be analysed via independent lab tests
- Outcome – Approval of material by Perth & Kinross
- Type of trial site – routine utility excavations
- Location of trial site – as per guidance within SROR version 4
- Positioning of trial site - as per guidance within SROR version 4.
- Products to be trialed – **Viafix 15/10 for footway with area above 2m sq. Viafix 30/14 in carriageway above 2 sq meters.** Both products are a variant of existing PCSM
- Method for preparation – water activated and compaction
- Remedial measures for "failed" sites – replacement with an alternative SMR or SMF material
- Future of trial sites – remove after trial completion or leave in place if authority approves trial material
