#### **Previous Minutes**

Improvements continue to be seen on Glasgow City Council Inspectors including photographs in SRWR defect reports. Colin Boyle GCC has notified roads inspectors to include 2 photographs with defect reports, one showing the defect and one showing the location of the defect.

SGN – enquired why a defect in Eldon Street had been reported four times and with no photographs attached.

#### **Matters Arising:**

Chris Maloney of SPT – further complaints of short or no notification of GCC patching and road resurfacing works or these works being changed with no notification causing severe issues to SPT.

Colin Boyle – East Renfrewshire's Road Realigning of Aurs Road has now been extended by six months to June 2025. This will mean that any works on the diversion route will have to be held back until after Aurs Road reopens. Within Glasgow; Parkhouse Road, Nitshill Road, Hurllet Road are included in the diversion route.

#### **Programmes:**

**Aurs Road realignment East Renfrewshire Council: Extended until June 2025**

**Thornliebank Road, Bridge Renewal, Network Rail: Ongoing until June 2025**

**WOS RAUC Update: none**

**Woodside Viaduct, Amey: Ongoing**

**Glasgow Avenues, GCC: No updates**

#### **AOCB:**

Gordon Michie of Scottish Water retires at Christmas. Thanks Gordon, for all your time and help. All the best and good luck from all of us.
