## **6. Difficulties Encountered in Previous Quarter**

JW confirmed that across the city lots of jobs are being closed on the register but are still sitting with the TM in place.

## **7. AOCB**

AC Advised that 6 areas had been chosen to erect anti attack barriers across the city. They will be in place for at least 18 months. JW said that to Bus Stop had to be relocated due to the barriers. CEC are seeking training on being able to move the barriers in the case of emergency.

MH Thanked CC Team for their help in organisation of e SGN CC gas project. MH also asked for clarification on the notice required for setting up a TTRO. He had been told 6 weeks but AD suggested it was 8 weeks?

### **Temporary Long Duration Order**

11.3.4 The works under such an Order may last for up to 18 months. Due to the time required to process the order, 6 weeks notice is normally required. Full supporting information must also be supplied. Such an order is commonly known as a Temporary Traffic Regulation Order (TTRO).

SG Asked that PUs check the if CEC capital schemes caused any issues they should raise with Sean.

**8. Date of next meeting:**

The next Local RAUC meeting 7<sup>th</sup> November 2017, 10:30 in the  
Business Centre High Street, City Chambers, Edinburgh
