4.0 Performance

4.1 Energetics well below 90%. overall for the year 57.1%.
Cat A's 33.3% and Cat C's 66.7%. Information emailed to Brian McAteer to investigate further.

BMcA

- 4.2 Openreach - overall 91.9%, Cat C's bringing figure down to 84.8%
- 4.3 Scottish Power - overall 90.2% pass Cat A's 80.3%, bringing figure down.
- 4.4 Scottish Water - overall for the year 95.1%. Cat A, B, & C's all above 90%. Good performance.
- 4.5 SGN - overall for the year 95.2%. Cat A, B, C's all above 90%. Good performance.
- 4.7 Virgin Media - overall figures all below 90%. This is concerning and must be addressed for the next phase in South Fife.

5.0 **AOCB**

- 5.1 Culross Cobbles - re-use and re-do existing Conservation cobbled area. LJ to liaise with JC

LJ/JC

- 5.2 TTL applications - failure to provide adequate time to request as 7 days notice required. MB also raised issue when lights were to be manned, queues were forming due to lack of supervision as operator was sitting in van. General discussion, agreed to contact Utility concerned and they would deal with the issue.

- 5.3 INEOS information workshop in September - contact KS for further information.

- 5.4 Transport Scotland have produced the correct Network Access Forms to be used for access to Trunk Roads and these will be available on the SRWR from May.

- 5.5 BEAR mentioned receiving complaints from MOP regarding litter on the A92. HM advised that it is only the M90 motorway that BEAR litter pick. Network Access has been approved for Fife to carry out litter picking on A92.

- 5.6 A92 Muirhead, potential Planning Enforcement issue. Permission was granted for Car Wash and latterly for the catering van. Appears also that there are wooden shed/playhouses for sale? Has permission been sought and approved? HM to forward details to MB
