## OFFICIAL

### 6 Coring Programme

Advice note 3 is now out on the Commissioners website  
Colin Boyle is in early stages of coring programme

### 7 Major Events

Jamie Rodden given presentation on EURO 2020 – a city centre embargo may be put on. Programmed works have to be done by May 2020 – GCC will let utilities know which areas will be affected.

### 8 AOCB

Pat Berry has asked utilities to be more aware in high profile areas such as city centre as GCC Director of Operations had picked up on a few things with a city centre job.

Could notices be kept up to date such as if works are being extended please make sure notice has been extended and notices also be as accurate as possible – please make sure works promoter prefix and contacts are correct and up to date.

### 9 Date of Next Meeting
