Item		Action
	First Barrier, Pier Road, St Margaret's Hope. PB mentioned Sea Defence works in this area at Cromary Square. Will discuss further.	MW/PB
4.3	<u>Scottish & Southern Energy</u> <ul style="list-style-type: none"> • Great Western Road connection for EV chargers will be undertaken in next couple of weeks. • Fault on Willow road near White Street in recent weeks. OIC CCTV duct on top of SSE cable making repair difficult. 	
4.4	<u>BT Openreach</u> <ul style="list-style-type: none"> • No attendees and no apologies. 	
4.5	<u>Scottish Water</u> <ul style="list-style-type: none"> • North Hoy – Have held joint inspection with Douglas Slater, OIC Roads Inspector to discuss damage following recent works. Needs further discussion with regards to how repairs will be undertaken. Drainage repairs may also be required down Hoy Trust road. • North Ronaldsay – Pipe to run from Treatment works to Service Reservoir. Geophysics have been carried out and have encountered great deal of Archaeology. Plan to go into road around the Iron wage walls. Historic and Environment Scotland are happier with this option. MG asked DW if OIC Roads would have a preference for pipe location, Road or verge? DW confirmed that OIC Roads would prefer services remain out of Carriageway surface as much as possible. Working up details for these works. MG asked RD with regards to Single Phase and Three Phase cable make up in North Ronaldsay. RD confirmed detail. • Stronsay Works taking place. MW queried timescale as OIC have planned works in June 2019 for Whitehall Streetlighting. MG unsure of timescale at moment. MW/DW to query to make sure works don't conflict. • Holm Bog – Not being progressed at this time. • Stromness Works – Chris Wright would be best to advise. • John Street – Unsure of status of these works now.
