4	<p>Standard Items</p> <p>a) <u>SRWR</u> BW: No minutes available from last Steering Group available as yet. If users have issues with Aurora they should go to the Support Desk 01324-682170 or support@symology.co.uk or take your issue on to Ian Ross. If users are having an issue with mapping the advice is to change the background map.</p> <p>b) <u>Gazetteer</u> BW: Nothing to report.</p> <p>c) <u>Programme of Major Works</u> JH: Several TM requests for works in Kelso have had to be refused/deferred due to the sheer volume of works in the area. There has been some particular difficulty with congestion around Sainsbury's roundabout. Hopefully this will ease in the run up to Christmas. SBC have upcoming cycleway works along A703 between Eddleston and Peebles, the project will last about a year. It's not yet clear if these works will conflict with SW works at Bonnington Road. JH/CMcQ: Major SW works Yarroford/Yarrow Feus commencing Jan 2021 until Mar 2021. KH advised IENOS embankment erosion works in area. All off road, access only required, possibly take advantage of SW road closures/TM? KH will send map/plan of INEOS works to SW.</p> <p>d) <u>Performance Indicators</u> JH: Q2 reports are available on the Aurora Dashboard.</p> <p>e) <u>Coring</u> CMcQ – There will be a coring programme in 2021/22.</p> <p>f) <u>Proposed Road Designation Changes</u> JH: nothing new to report.</p>	<p>JH/CMcQ</p> <p>KH/CMcQ</p>
