4.0 Performance Inspection Figures

Cat A's

- 4.1 V M low at 83%. - SP 87%, LJ advised SP now doing own inspections. All others above 90%.

D2's

- 4.2 SW 11 inspections- DP to pass to EW to investigate

5.0 Safety/Traffic Management

- 5.1 SP - TM company applying for TTL, not tying up with notice on SRWR and co-ordinators to check TM drawings are correct.

Complaints of SW, SGN and SP barriers and TM left on open sites under emergency/urgent with no-one working there. LB commented

- 5.2 plans in place for SGN works to be finished sooner. LJ advised SP aware and excavations to be completed within approx. a day turn around.

LJ requested information on open sites as they are paying for TM, if RA comes across instances please advise NRSWA Reps.

6.0 Local Issues

- 6.1 IJ advised of numerous instances of Undertaker notices on SRWR being closed and registered as permanent but they are still in temp. Suspect it is just a training issue.

7.0 AOCB

- 7.1 No issues raised.
