GLASGOW/RENFREWSHIRE COUNCIL LRAUC MEETING – 28 AUGUST 2024 – ONLINE TEAMS

Welcome/Apologies

Colin Boyle (CB) – Opened the meeting and thanked all present for attending

Apologies from – Gordon Michie and Alex Crombie of Scottish Water. Craig McQueen attended in their place. Also apologies from Calum Stewart and Neil Forrester of GCC.

Previous Minutes

CB asked if there was an improvement in GCC defect reports to Utilities and if photographs were being attached. Although some noted an improvement SGN stated that a defect at 30 Eldon Street, Glasgow had been reported 4 times at the same time with no photographs.

CB asked Owen Harte (OH) of Virgin for contacts that GCC staff could use. OH did this straight away.

Programmes

No new major works programmes to announce.

Network rail – Thornliebank Road closure for bridge renewal in progress until June 2025.

Network Rail - Shields Road closure for bridge renewal due to open 30 August 2024.

Other Business

CB reiterated that SPT need to be informed in sufficient time prior to works starting that involve bus stop closures or road closures on bus routes. This is to allow them time to inform their passengers of changes using notices in buses and on stops. Craig McQueen (CMcQ) pointed out that this was a Road Authority function, CB stated that all should ensure that SPT are kept well informed of impending works.
