Previous Minutes

Previous minutes not available, GCC apologise for this oversight.

Matters Arising

CB asked the group if defects being recorded onto the SRWR by GCC Roads inspectors had improved since previous meeting. Eddie Watson (EW) of SPEN advised that photographs were now being uploaded and some improvement had been noted.

Owen Harte (OW) of Virgin Media will pass on Virgin Media contacts for GCC use.

Programmes

David Murdoch (DM) of Network Rail advised that Thornliebank Road is now closed for the electrification of East Kilbride line. Shields Road closure projected reopening end of August 2024.

OW – New areas of Virgin Media works in Thornliebank and Cowcadden areas.

Other Business

CB opened a discussion on undertakers and the roads authorities to ensure appropriate notice is given to SPT to inform them of road closures and bus stop closures outwith emergency/urgent works. Sharon Queen (SQ) of SPT gave an example of GCC works on Cumbernauld Road and the lack of notice, Neil Forrester (NF) advised that we will feedback to colleagues in Roads maintenance to ensure as much notice is given for planned works. Fiona McInnes (FM) of Scottish Water advised that their framework contractor Sunbelt Rentals should be aware of contacting SPT to advise of programmed works and if it affect bus stops.
